Re: National Association of Broadcasters PAC, C00009985

Dear Ms. Seay:

This is to inform you that The National Association of Broadcasters PAC (NABPAC) is amending all reports from years 2005 2007. The amendments are in response to two letters that we have received from you addressing the 2007 February Monthly Report and the 2007 May Monthly Report. Upon receipt of the letters, NABPAC conducted an extensive internal audit of 2005 2007 records which brought to light small variances in numerous reports. These small variances were mainly credit card processing fees and bank fees that were not originally included on the reports. In order to be fully complaint with FEC laws and regulations, NABPAC amended all the reports from January 1, 2005 to the present.

One variance that must be addressed is on the 2005 April Monthly amendment. Our bank statement shows that there was a credit card transaction in March for the amount of \$250. However, we were not able to find a copy of the receipt nor was the receipt entered on the original 2005 April Monthly Report. On this amendment, you will find a receipt from an Unidentified Individual because there is no way for us to determine, at this time, the identity of this contributor.

In response to your letter regarding the 2007 February Monthly Report, we have amended that report to reflect the earmark from David Bradley. The receipt from Mr. Bradley in the amount of \$1,000 already appeared on the original report, but the description of the receipt failed to include the word earmark. The amendment now includes the description, Earmark to Sam Graves. Your letter also points to a \$5,000 earmark to Texas Freedom Fund disbursed on 1/09/07 with no earmarked receipt. The earmarked receipt from W. Russell Withers in the amount of \$5,000 (intended for Texas Freedom Fund) was received 12/29/06 and correctly included on the original 2006 Year End Report. However, our research has shown that the check to Texas Freedom Fund was actually disbursed on 12/30/06 and not on 1/09/07. (A copy of this check is available should the FEC request it.) The 2006 Year End and 2007 February Monthly Reports have now been amended to reflect these corrections.

The 2007 May Monthly Report, which was addressed in your other letter, has been corrected due to the amendments filed starting in 2005.

We at NABPAC hope that these amendments clarify any and all errors and omissions. If you should have any questions or would like to discuss these matters further, please do not hesitate to contact me at 202-429-3937.

Thank you for your time.

Sincerely,

Jennifer Jaketic
Director, NABPAC
